**Welcome to Tracey Energy!** Whether you've just moved into your new home or have been there for years, Tracey is the name to trust for the **BEST VALUE** and **BEST SERVICE** for your heating oil dollar. Since 1931, we've been meeting the full service needs of our friends and neighbors throughout the **greater New Haven area**. We want to be your best choice for year-round comfort ... for years to come.

**Welcome to Our Family.** Tracey Energy is truly a **local, family-owned-and-operated business with a personal touch**. We understand what goes into making a house a home ... in a word, **comfort**.

**Welcome to the Finest Customer Service Around.** When you call our office, **you'll always speak to a live person** – you'll never get an answering machine. We think our office staff is the friendliest and most helpful you'll find anywhere. Our technicians and delivery people have been with us for years, so they've built solid relationships with our valued customers. And our service specialists continually keep up with the latest advances in home heating, so they really know their stuff! Plus, we offer you online convenience, and we're always here for you when you need us.

**Welcome to Abundant, Safe and Efficient Oilheat.** You want only the best for your family, and Tracey Energy wants only the best for our family of customers. We have plenty of heating oil on hand to keep your home warm and cozy. **Today's Oilheat is clean, comfortable, environmentally friendly, efficient, economical, safe, dependable and versatile.** What's more, Oilheat is **safer than natural gas and less expensive than electric**, while providing unbeatable warmth and comfort.

**Welcome to State-of-the-Art Service.** We start with clean and "green" **premium low-sulfur heating oil** for optimum system performance. And we continue to keep a close eye on your comfort with our **FREE automatic delivery service**, convenient **Easy Pay budget plan**, **comprehensive Comfortmaster™ service plans**, money-saving **price protection programs** and prompt **24/7 emergency response**. But we don't stop there – we provide **complete heating and air conditioning installation and preventive maintenance**, as well as savings off your electricity bills with **ENERGY PLUS** ⚡.

**Welcome to Today's Most Efficient Comfort Products.** Tracey Energy features the most technologically-advanced, super-efficient boilers, furnaces, water heaters and central air conditioners that can **lower your energy bills by up to 30%**. We represent the best brands in the business, and we stand behind every product we sell. **Our mission here at Tracey Energy is to help you spend less money and enjoy more comfort.**

**Experience the Tracey Energy difference today!**  
Simply give us a call at **203-777-5747** ... contact us online at **TraceyEnergy.com** ... or complete and mail the **postage-paid reply card at right to take advantage of our New Customer Gift!**

## We'd Like to Say "Thank You" for Joining Tracey Energy's Family.

When you become a new automatic delivery customer, we'll take **\$0.10 per gallon off** the retail price of your home heating oil **for your first year!**

*\*Automatic delivery customers only. Other restrictions may apply.*
